Other Points of Note:

Only 3 fixtures / results were recorded for the 2nd XI. As the following summer saw WOG merge with Worthing to become effectively WCC's 2nd XI side/Feeder club, WOG's own 2nd XI finished, as some of WOG's better players ended up representing WCC itself.

Results:

- 15 / 7 / 22 YMCA II 80, **WOG 2nd XI, 68**, played at Broadwater Green.
- 5 / 8 / 22 Yellow Hammers 43 & 79-9, **WOG 2nd XI 37**
- 7 / 8 / 22 East Worthing, 125, **WOG 2nd XI, 30 & 56** . Played Away. Lost by Innings.

JN Marshall took a **Hat-Trick** against Yellow Hammers, 5th August

Other Points of Note:

Although no formal announcement that the Cricket Club had been reformed, result started to re-appear in the newspapers from June onwards. Said to have been the Footballers of WOG FC who wished to re-start the Cricket Club.

The players who had formed the original WOG CC in 1922 had merged into Worthing CC when the Manor ground was opened and continued to play and administer that club. So effectively the 1934 re-start was a fresh start but nonetheless had the ties to the WOG 'Club'

Grammarians

All four match scorecards appeared in the newspapers - principally the Worthing Gazette.

Top Score 203-9 - which for the time was a rarity to pass 200. In the first game back, away to Barns Green. 23rd June 1934. Joyes 67n Highlight being that chasing BG's 163-8 WOG's were 127-9....but scored the winning runs...and continued to 203-9 as Joyes 67n was supported by L Edwards in putting on 76 unbroken for the 10th wicket.

Lowest Score Scored 75 against Shoreham GS who could only manage 33 in reply. 21st July 1934.

Opponents

Shoreham GS's 33 would actually be surpassed the following year - when they scored 22 !

Other Points of Note: The newspaper clippings gave the top 3 bowling stats -
 Without the full match reports the stats above show that Knight, Allen and Rickard all had lower bowling Averages.
 Clearly therefore, Knight, Allen and Rickard averaged more than Parsons. Suspect it wasn't by much.

Rickard did complete the 500 Run / 50 Wicket Season Double.

Grammarians Top Score 201-8 Home to Arundel on 1st August
 Lowest Score 46 Away to Billingshurst on 17th May. Chasing Billingshurst's 58 !

WOG won by 10 wickets against Brighton Insurance - see below.

Opponents Shipley only scored 11. Which was 1 more than their number of players.
 Staplin 4-1, Rickard 4-7 and Parsons 1-2 taking the wickets.

Lowest score was 41 by Brighton Insurance on 26th July.
 WOG passed it, then carried on to a match ending 160-3.

50 & 5w In Match		
Peter Bromley	63	7-54

15th July, Dorchester Casuals. Tour.

Other Points of Note:

Dave Rickards took 9-11 and 5-33 in the two innings match against Brighton & Hove on 4th July.

Thereby taking 14-44 in a day!

The following weekend he took 7-38 & 4-24 against Bayford & Hertford Nondescripts for another 11-62.

Equating to 25-106 for the two matches. Unlikely ever to be beaten.

However, having taken 104 wickets I suspect he was less than happy to see Bromley take the averages by 0.02 !!

Rickard also took all 8 wickets that Felpham lost in chasing down OG's 62. He took 8-23 as Felpham got to 63-8, thereby missing the chance of all 10.

Grammarians

Top Score	186-7	26th June away to Worthing 'A'
Lowest Score	42	Played at the Rotary ground v. Old Azurians on 19th June.

Opponents

Brighton & Hove scored 40 when Rickards took his 9-11

WOG's beat Lewes St Michaels by 10 wickets on 24th July. However, having passed LSM's score of 69, OG's continued with their own innings and reached 146-2 at the close of play. Which was fairly customary in those days in order to extend the match.

Skipper Tony Watt's seasonal figures were in the Worthing Herald:

355 - 123 - 683 - 100

Unfortunately, No Club Averages were noted apart from the article on Watts.

His figures in the two matches against West Chilington we 24-13-17-16.

Crawley Ramblers were shot out for 21 on 24th July. Worthing Herald reported this as the lowest score ever against the Club. Forgetting that Shipley hold that record with just 11

Top Team Score 173 Home to Les Lenhams XI, 24th April in first match of season.

Lowest Team Scores 19 - Home to Petworth Park, 22nd August. David Lewis scored 10 in opening. There was a score of 4, 2, 1, 1, 0no and 5 ducks, plus 1 extra!
38 Home to Stirlands, 26th June - Ironically the Worthing Herald did a feature the following week titled 'Club with a bright futre'

Against Sussex CCC XI, Manor were set a target of 123 in 2 hours 10 minutes. Leg-Spinner David Lewis took 3-29, Watts 2-23, Hewitt 2-28, Spells 2-10.

Sussex were somewhat embarrassed so let their county bowlers loose. Manor were soon 2-4, 15-5 and 22-6 before the tail wagged for the 200 'crowd' to be 54 all out.
